ROSÉ

Both gourmand and elegant, this cuvée is loved for its ruby colour, spicy aromas and the notes of red berries in its finish. Its very brilliant color comes from a careful harvest, where only the best grape clusters were selected at optimal ripeness, and from the saignée winemaking method. This rosé is a great highlight to complement the end of a meal with friends, and pairs well with a dessert made with red berries or a crumble.

Harvest 2008
Chardonnay 60% - Meunier 40%

Dosage brut (6g/l)
